

Whom will we help?

- Priests who already say the traditional Latin Mass only. Their need may arise from age or ill-health, or from the lack of a parish appointment or any membership of a religious order or priestly society. (NB We will provide assistance to individual priests only, not to parishes, religious orders or priestly societies.)
- Priests who wish to make an exclusive commitment to the traditional Mass
- Religious who wish to transfer to traditional Catholic foundations

What are our aims?

- To provide material support to priests, clergy and religious who are exclusively committed to the traditional Mass
- To encourage more priests to make an exclusive commitment to the traditional Mass
- To set up a national 'collection plate' for supporters of the traditional Mass

What traditional priests have said about the TPST

I think it is a fine idea. It fills a gap which nothing else does, as far as I know.

Fr C, 27 Dec 2005

I think your trust is a wonderful venture and I wish you every success.

Fr L, 31 Dec 2005

I am delighted with your great initiative and pray it will be most successful, as it is much needed.

Fr R, 6 Jan 2006

Formed in March 2005 by a group of traditional Catholic laity, this charitable trust aims to give financial support, in confidence, to Roman Catholic priests, clergy and religious resident in the UK who are in need and who are exclusively committed to the traditional liturgy and discipline of the Roman Catholic Church.
